## Gone until Fall?

**The Gator Dugout Club hopes this newsletter finds you well and staying safe.**

### President's Corner

I suspect most of you are like me and are feeling a little upended in the face of "no Gator Baseball". I wish we had the answer about when we can resume activities for Dugout Club members, we don't! What was true for us all last week, is certainly different this week, and I can imagine next week will be different yet again. But one thing is for certain the new stadium will be completed, the coronavirus COVID 19 will be contained, and we will see Gator Baseball again.

In that spirit, I would like to talk to you about our Legacy Gift for the new stadium. Our goal is to collectively raise \$50,000 for our Legacy Gift. To recognize this Gift, the National Championship Trophy display in the new stadium will be named for The Gator Dugout Club.

The Gator Ticket Office has released the refund on our 2020 baseball tickets. How about applying those dollars and perhaps a bit more to our Legacy Gift. All individual gifts to this fund are eligible for Gator Booster Baseball Priority Points.

Baseball Priority Points will be used to determine the order to select season tickets in the Ballpark. [Note, these gifts are not tax deductible.] Three points are awarded for every \$100 contributed. If you are unsure about your priority points, you may contact Thom Savage [ThomS@gators.ufl.edu or 352-375-4683].

We have the opportunity to offer a tangible gift and express how much this Gator baseball program means to each of us. If you agree, please go to our website [www.gatordugoutclub.org](http://www.gatordugoutclub.org) and click on the Legacy Gift button and complete it online, using a credit or debit card. Or use the attached form. Be sure to identify yourself as a Gator Dugout Club Member by clicking on the circle on the lower portion of the form.

**REMINDER: For those of us who want to make a larger contribution to the Legacy Gift, the form from the Foundation will provide the option to extend the gift over 5 years at a designated rate per year.**

Please stay well and safe.

Henri Logan

President, Gator Dugout Club

## What Now?

Until this health crisis has passed, we hope all of you follow the guidelines set forth by medical professionals and stay safe.

This will pass and when it does, The Gator Dugout Club will once again lead the charge to support the Gator Baseball team, both financially and vocally.

In the meantime, you can go online at **YouTube** and type “gator baseball full games”. You will get the entire Game 2 of the 2017 CWS and others including several years of UF/FSU.

That will take up 2 ½ - 4 hours of your time.
